Hello Shawn,

We anticipate the item should be non-controversial and considered as a "consent" item. The proposed ordinance would provide a technical correction to the Pico-Union HPOZ boundary. If PLUM Committee could accommodate on the next available agenda and take action, then DCP's OHR would initiate the correction ordinance. The matter is technically not totally "urgent" but it would be good to keep the momentum going if at all possible.

Appreciate it,

Gerald

Subject: Motion to Amend the Pico-Union HPOZ

Good morning, Shawn.

Our office has been working with Ken Bernstein in the Office of Historic Resources and Gerald Gubatan in CD 1 on an amendment to the Pico-Union HPOZ. The amendment would remove the property located at [1330 W. Pico Boulevard](#), which was inadvertently placed within the HPOZ.

On February 28, 2018, CM Cedillo introduced the enclosed motion to start this process. My understanding is that the next step is to have the item

heard at PLUM. This is not urgent, but we are hoping that we can have PLUM consider this motion in about a month. I would imagine that whatever needs to happen to reach PLUM will be coordinated with your office and OHR, but we are more than happy to help in any way needed. Just let me know.

Thank you,

Joel
